Jesus told His disciples that the "Harvest is plenty but the laborers are few." He challenges us to pray and become one of His laborers in the field. You and I are alive today and positioned here to fulfill God's plan and purposes for Licking County. The LORD uniquely guides us to be the messengers for Him—laborers in the field!

I believe Alive Vineyard is here to reach those that somehow don't fit anywhere else. That's not an indictment on you but rather a commission to LOVE those that have been rejected elsewhere, to serve those that may seem undeserving and to believe the Bible as God's Word in spite of the attacks from so-called scholars.

October 1st, 2017 will be remembered for years as the day of the largest attack on a concert venue in our history. 50 dead at this point but final assessments are still coming in. Nevada had another earthquake (they're becoming constant in the west of th Mississippi! We're still reeling from the effects of three hurricanes. There's a lot of saber rattling with North Korea and threats of nuclear warfare. Jesus warned that when thse things begin they are just the birth pangs—it is going to get worse.

The "fields are white" or the harvest. I;m praying with all my heart that the LORD will see fit to engage US in the harvest. Start your day telling God that *you are available!* Then watch how He will provide you opportunities to share the love and HOPE that only He can provide. That's what the laborers in God field will do!

Use these days for His glory! Proclaim His Name unashamedly! JESUS is the ANSWER! He is the ONLY ANSWER!! Come Lord Jesus into our lives that we may overflow with Your Love and Grace to all those in our sphere of influence! Heed the all!

Pastor Steve
