Dear AVL Family,

These are interesting days that we are facing. Everything is changing in our world and this pandemic is only a small concern compared to how the world is moving! I believe we are facing the finale of history never before. Love your neighbor, give to the poor and forgive any and all who have hurt or abused you and most of all—read your Bible and pray. Worship is vital as we stand together as the church of Jesus Christ in this generation.

Why am I saying these things? Because I feel it in my spirit. I am troubled as I compare what I see with what I read in my Bible. People are divided on almost every front. Law and order is being questioned. Secreted sins are being exposed that are corrupt to the core yet nobody is questioning right from wrong. As I pray an urgency arises in me to proclaim Jesus and His Kingdom louder and louder but we don't have "ears to hear" what the Spirit is saying! All I'm saying right now is read your Bible and listen with your heart and put the things of your life in order. Jesus could return VERY SOON. Be ready. Jesus loves you to the core and I love you, too. May you and your household find peace amidst all the conflict!
