If your name has not been listed for your birthday or your anniversary,

On Thursday, November 25th, Thanksgiving Day we will be celebrating with our friends and families in America. In millions of homes people will take a moment to pray prayers of gratitude for the abundance we enjoy. There will be laughter and love as well as an abundance of food to feast upon. Of course a football game or two will be watched and the annual parades that kick off the Christmas season!

During the festivities on that day many prayers were said, thanking God for all of the blessings that He has showered upon us. In addition to the prayers of thanksgiving there often was robust discussion about those blessings that we enjoy.

The Word reveals a very special truth—God is thankful for us. Repeatedly in Genesis 1 we find the expression: "And God saw that it was good" (Genesis 1:4, 10, 12, 18, 21, 25, 31). When the Creator looked upon the product of His will, He found it perfectly complete and admirable; and He was pleased. Seven times this statement is made. Every one of God's creative acts was perfect, complete, pleasing, satisfying.

*"Moreover, because of what Christ has done, we have become gifts to God that he delights in, for as part of God's sovereign plan we were chosen from the beginning to be his, and all things happen just as he decided long ago"* (Ephesians 1:11, The Living Bible, emphasis added throughout).

So this Thanksgiving remember that our Lord is thankful for us when we remember Him!

**Keep Christ in Thanksgiving!**
