END OF SUMMER END OF CAMPAIGN CELEBRATION FELLOWSHIP

Summer is winding down and it is time to celebrate our Anniversary and the conclusion of our 3-year \$70,000 goal to upgrade our 40+ acres and 20,000 square foot facility that God has

ALIVE VINEYARD—1999 TO 2022 23 Years together serving Jesus Christ and the Licking County Community

We celebrated our 20th anniversary in 2019 and kicked off a 3-year campaign to be good stewards of this beautiful property the Lord has allowed us to use for His work in Licking County. We had a long list of dreams and a goal of \$70,000 to make them a reality!

We started with our parking lot which was repaired sealed and striped, then we started inside with painting walls and adding accents to the café and sanctasium walls, plus back-lighting our latest logo! We decided to repair our roof which became a bigger problem than expected and repaired our HVAC units on the roof before we laid all new carpet in the entryway and sanctasium. Our final projects are the café, entryway and hall floors and finish the painting. Though we haven't reached the \$70,000 goal, we have about enough to finish the intended projects. We did do other projects like re-doing our bookstore and prayer room, new flooring in a classroom and painting the front office adding our logo to the wall.

This was all done above regular budget income and without borrowing from the bank! I am hoping that we can finish our projects this month, so keep praying and help when you can.
