Standing with Her

On June 24th, the Supreme Court issued a historic decision in the Dobbs v. Jackson case which finally reversed Roe v. Wade and freed states to prohibit abortion. Already, more than half of U.S. states have taken action to ban or further limit abortion! Proponents of abortion (including the abortion industry, politicians, and mainstream media) have gone haywire in their attempts to stoke fear, illegally distribute abortion pills, and prop up the lie that women need abortion to succeed. Now more than ever, we need to make it clear that no woman stands alone.

Dear Alive Vineyard family,

We have completed our 3-Year 20th Anniversary campaign to get our building and grounds back in shape and be good stewards. We estimated our need to be about \$70,000 and our budget was already maxed out. I laid out our goals and you (with the Lord's help) blessed this ministry by giving over \$67,700 and pitching in to paint, put up wood on walls, completely remodel the bookstore and much more!

We celebrated the conclusion of the campaign on the 22nd anniversary of be come a church and the 20th anniversary of this facility!

As I write this the flooring is being installed which is the final project! Thank you. No budget money was used - only funds designated for the campaign! We serve an awesome God and you all are very special.

Pastor Steve
