The Life of Jesus!

I want to recommend to you "The Chosen" series of videos. I can think of no better time to watch than during the Lenten season. Jesus is portrayed as one of us! He is kind and caring but also strong and direct. He is a Jesus with whom you can relate and want to follow. The disciples are rough and clueless. They've been looking for the Messiah and are hopeful that they have found Him. Those who are healed are the ones who know they've been touched by the Master's hand! I find myself crying with them even though I know it is only a drama reenactment! The stories are true and they, for the most part, are portrayed actuality which makes this series more than entertainment. It is the Bible coming alive in front of you! Just type in "Chosen" in the search box and scroll down to seasons 1 & 2 (<https://www.youtube.com/watch?v=0E-8-NcL7tc>) I believe it will prepare you for Easter and the JOY of RESURRECTION and, of course, it's a good time to read the four Gospels! The life of Jesus is the life that enters our hearts changing us into **followers of the Christ** now and into eternity! Begin your journey!
