We're limping through the summer!

We knew we were going to come up short before the summer was over and unfortunately we are! We were unable to pay our full July mortgage and will be short, unless we see a change in our offerings, again in August. Please pray and if we all give just a little more, we can get over the hump. Our income

will rise to meet the challenge this Fall so we just have to Trust the Lord to show us the way until then.
