- + Christian curriculum
- + Small classes - 8 - 12 students
- + After School Care
- + Financial Support available for qualifying families
- + Bussing for Academy students
- + Breakfast & Lunch Program

Troy Yanosik & Friends Weekend

Mark your calendar and plan to join us for a weekend of *worship, prayer, training, and evangelism* September 15-17th!

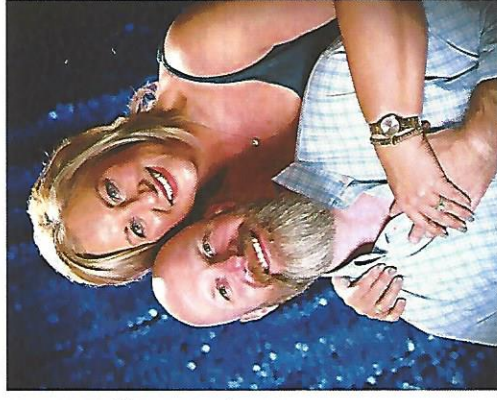

When Troy and Brenda visited Newark several years ago, they felt a strong connection to the city and God planted a desire for them to return in the future. That time of return is now!

Troy, and the team he's bringing with him, will lead us on Friday evening in a *time of prayer and renewal for our church*. His desire is to release the fire of the Holy Spirit within Alive Vineyard in a fresh way.

On Saturday, we will gather for training and encouragement during the early afternoon and then share the message of the gospel and healing with the people of Newark. This will be an amazing opportunity to participate in street ministry or to be in the background praying for those ministering on the streets. Saturday evening, we will share testimonies and a time of special worship led by members of our international community!

Troy will bless us one final time on Sunday morning during our celebration service before heading home to Illinois.

We hope you will plan to attend part or all of the weekend services. We are sure you will be blessed as Troy and Brenda share their experiences and joy of living in the Spirit!

Special Prophecy Forum!

Dean Meadows, Instructor

By special request, Dean Meadows has agreed to do a study surrounding questions about prophecy.

Differing topics will take place at 6:00 P.M. Sunday evenings starting **September 10th**.

Dean is an avid student of the Bible with a keen interest in Bible Prophecy. He has chosen these three topics to begin and will measure how much interest there is and will add more topics based on participant interest.

9/10—Biblical Support for Literal Interpretation of Prophecy

9/17—Biblical Support for the Rapture

9/24—Understanding the UAP [UFO] Deception
