State of the Church

March 9th, 2025

We are blessed of our Lord as we ended 2024 in good shape. Our By-Laws require us to give an account of the previous year's statistics. This includes all income, expenses and status of all accounts (Missions, Youth, etc.) plus the Needy Fund and a membership update. Our Preschool and Academy will have an update for 2024 and hopefully, some news about our 2025/26 school year. Please have your reports into the church office by Sunday, February 16th.

GOOD NEWS/BAD NEWS

We just paid off [EARLY] our new roof but we have hanging over us the replacement of our entire heating and air conditioning units—about \$110,000. Those who made commitments on the roof can now EITHER designate those donations to the HVAC or direct those gifts to other ministries (including the General Fund). As soon as we know the full cost we will officially kick off a new financial campaign. Thank You for your generosity and faithfulness!
